

Announcement of Ph.D. program at IAR, Gandhinagar **(1st Phase, January 2018 intake)**

IAR, Gandhinagar is associated with three renowned visionaries: Prof. Nathu Ram Puri, a successful entrepreneur and philanthropist, who help set up the Indian Institute of Advanced Research through the Puri Foundation; Shri Narendra Modi, then Chief Minister of Gujarat and the current Prime Minister of India, who laid the foundation stone for the Institute; and Dr. A.P.J. Abdul Kalam, then President of India, who formally inaugurated the Institute in April 2006. The Government of Gujarat recognized this Institute as a University in 2011. The University hosts three Schools/Centers, namely School of Biological Sciences and Biotechnology; The Centre for Engineering and Enterprises; and The Leadership and Business School.

IAR offers **Ph.D. program** in the following:

- **Biotechnology** (Cell Biology; Genetics & Developmental Biology; & Immunology)
- **Chemistry** (Nano Chemistry; Medicinal Chemistry; & Materials Chemistry)
- **Physics** (Gravitational Wave Astrophysics/ Plasma Physics)
- **Commerce/Management**

Eligibility

M.Sc. (Life Sciences, Biotechnology, Microbiology, Botany, Zoology, Genetics, Nanotechnology, Biochemistry, Environmental Science; Chemistry and Physics). M.A. in Economics/Management with at least 55% marks.

Mode of Selection

Selection will be made on the basis of PhD Entrance Test (PET) followed by interview.

- Interested candidates may visit our University website for more information; apply by filling the application form available at the University web page (www.iar.ac.in). All applications have to pay a processing fee of Rs 500, as bank draft in favour of REGISTRAR, IAR, Gandhinagar. However, the candidates belonging to SC/ST category are not required to pay processing fee.
- Reservation for SC/ST/OBC and physically disabled candidates will follow UGC norms
- *Please Note: The students who have cleared National Eligibility Tests like CSIR/UGC are exempt from taking written tests and they will be called for direct interviews, but such applicants need to submit application along with processing fee before the deadline.*

Important dates:

Last date of submission of duly filled & completed Application: 26th February 2018

Date of PET test & Announcement of Results: 5th March. 2018

Date of Interviews will be announced concurrent with announcement of results. It will be displayed on university web-site.
