

SEMESTER END EXAMINATION THEORY
March 2022
(Regular/ Re-examination)

Instructions to students:

- i. Download your hall ticket and attach it with your answer sheet during submission of answer sheet to the course coordinator. (For any query please contact coe@iar.ac.in)
- ii. Mode of Examination: Online Open Book Examination.
- iii. Any knowledge resources (books, web etc.) are allowed to be used.
- iv. Collaborations (taking help of other students/persons) are not permitted.
- v. The answer-sheets will be strictly checked for plagiarism. Any plagiarism will be considered unfair means (cheating). That will be subjected to Unfair Means Procedures.
- vi. University reserved the right to conduct whole or partial additional examinations. For example, in case of suspicion of plagiarism, the university may conduct an interview with the students involved in the plagiarism.
- vii. Students will receive the questions papers from course coordinator/instructors via email.
- viii. All the students must download the question papers within 30 minutes of the commencement of the examination by replying 'Present'. A student will be considered absent if she/he fails to do so.
- ix. Students will receive question papers at 10:00 am (Morning session)/ 2:00 pm (Afternoon session) on the scheduled date (as per the examination schedule/ Date sheet) and submit the answer sheets in the due time.
- x. Students must submit an answer sheet within the stipulated time. A student will be considered absent if she/he fails to do the submission within the stipulated time.
- xi. Only hand-written answer sheets will be accepted. The answer sheets must be scanned or photographed and converted into PDF formats for submission.

Institute of Advanced Research
The University for Innovation

- xii. Please make the necessary arrangements for ICT tools (internet connection, desktop / laptop / mobile phone, scanner, Gmail, google meet etc.) to download the question papers and upload the answer sheets.
- xiii. Late submissions will attract the penalties (beyond the 15 minutes grace period).
- xiv. Any technical difficulty should be immediately informed to the course instructors. No concerns will be entertained after the duration of the examination is over.
- xv. Before submission. Check if all the entries (Name, Registration number, Course name & Code, etc.) on the top of the answer-sheet are filled correctly.
- xvi. Course instructors will be available over phone/email in case there are doubts/queries.
- xvii. All the students are expected to follow honesty.
