

# Institute of Advanced Research

## *The University for Innovation*

(Established under the Gujarat Private University Amendment Act, 2011 and recognized under section 22 and 2(f) of UGC Act)

**IAR/RO/2023-24/385**

### **Referral Admission Policy for IAR Students**

#### **Scope:**

The policy shall apply to registered students and alumni of Institute of Advanced Research University for referring admissions to the University.

#### **Purpose:**

The purpose of this policy is to outline the conditions under which students and alumni of this University will receive a financial reward for referring new students who are admitted to any programs offered by the University and who pays the full fees for the respective academic year.

#### **Mechanism:**

A student or alumni who has referred a new student must ask to new applicant to fill the online enquiry form available on IAR University website <https://iar.ac.in/> under the tab apply now.

Alternatively new applicant can directly fill the enquiry form on the following link <https://iar.edusec.org/applicant/lead/create>

A student or alumni who has referred a new student must check the new applicant should fill referrer name with IAR Registration No. in the Type of source field of enquiry form which is a mandatory requirement.

In case of duplicate admission enquiries by the same applicant, first admission enquiry / type of source created by the applicant will be considered as final. No dispute or claim will be entertained in this regard.

After the confirmation of the admission by the applicant, the student or alumni will inform in writing / email to Admission Cell office along with payment receipt and mentioning the full details of newly students admitted with his/her reference. Admission Cell will verify the details and will send it to the Registrar for further approval of disbursement.

The reward for referral will be credited toward the referring student's account after the payment of full fees / first academic year by the applicant.

### **Financial reward:**

The financial reward will be Rs. 2500 per newly admitted student and will be subject to change without any prior notice.
